- Yellow school bus drills were conducted last week. Evacuation drills will be conducted this week.
- Be aware of the **COVID-19 protocols/guidelines**. Symptoms may appear 2 – 14 days after exposure to the virus. The DOH guidelines state that school nurses, parents and staff must be aware of any of the following COVID-19 symptoms as well as cold and flu like symptoms:

- Fever	- New onset cough	- Difficulty breathing
- Loss of taste/smell	- Body aches/chills/fatigue	- Shortness of breath
- Coughing	- Sore throat	- Chest tightness

If your child comes to school with any of the aforementioned symptoms, Nurse Melany will contact you to pick up your child. In order for the child to return: the child will have to obtain a negative COVID-19 test result; or remain isolated for 10 days and be symptom free for 24 hours without taking any medications.

- All in-person learning parents are encouraged to submit a **COVID-19 Random Testing Consent Form**. The NYCDOE is working with the NYC Health + Hospitals and the NYC Dept. of Health and Mental Hygiene to provide free tests to staff and students. Failure to provide consent may have your child automatically placed in 100% Remote Learning.
